## SentryBay CEO finalist in RSA Security Blogger of the Year Award.

SentryBay CEO, Dave Waterson's blog "Thoughts on Information Security" has been announced as a finalist in the RSA Security Blogger of the year for 2015.

The award, due to be announced next week at the RSA conference <http://www.rsaconference.com/events/us15> features a shortlist of some of the most popular and interesting blogs focussed on IT security. Previously Dave Waterson's blog was a winner in the 2013 European Security Blog awards.

You can follow Dave Waterson's blog from here <http://dwaterson.com/> @DavidLWaterson
