End User Licence Agreement

IMPORTANT NOTICE: This is for the **consumer** version of **Data Protection Suite** software only. Please read carefully before installing the software.

This licence is a legal agreement between you and sentrybay limited ("the licensor") for desktop security software ("software").

GRANT OF LICENCE: This Licence allows you to install the Software onto the hard drive of up to three personal home computers or laptops for use by you or members of your household. This Licence is granted for domestic use only. You are not allowed to install or store this Software on a file server.

INTELLECTUAL PROPERTY RIGHTS: You acknowledge that all intellectual property rights in the Software belong to the Licensor. Except as provided in this Licence, you are not allowed to copy, adapt, modify or reverse engineer the Software (except where any such action has to be permitted by law).

NO WARRANTIES: The Software is designed to protect you online, but like all products designed to combat malicious software, the Licensor cannot guarantee that the Software will be 100% effective. You therefore acknowledge that the software is provided 'as is', without any warranties whatsoever as to quality or fitness for purpose. You assume all risks and responsibilities for selection of the Software to achieve your intended results, and for the installation and use of the Software. The Licensor gives no warranty that the Software will be error-free or bug-free, or free from interruption or failure, or that it is compatible with any particular hardware or software. To the maximum extent permitted by applicable law, the Licensor disclaims all warranties with respect to the Software, either express or implied.

LIMITATION OF LIABILITY: Except to the extent that such exclusion is not permitted by law, THE LICENSOR SHALL NOT BE LIABLE TO YOU FOR ANY LOSS OR DAMAGES WHATSOEVER OR HOWSOEVER CAUSED (WHETHER ARISING DIRECTLY OR INDIRECTLY) in connection with this Licence or your use of the Software (or the incompatibility of the Software with any hardware or software) including loss or corruption of data, financial loss, loss of business or profits, damage to reputation or loss of goodwill. If any exclusion contained in this Licence is held to be invalid and the Licensor becomes liable for losses that may be lawfully limited, the Licensor's total liability shall not exceed the amount paid to the Licensor for the Software.

ENTIRE AGREEMENT: You acknowledge that, in entering into this Licence, you have not relied on any representation, undertaking or promise given by the Licensor except as expressly stated in this Licence.

THIRD PARTY RIGHTS EXCLUDED: A person who is not party to this Licence shall not have any rights under or in connection with it under the Contracts (Rights of Third Parties) Act 1999.

LAW AND JURISDICTION: This Licence shall be governed by and construed in accordance with English law and submitted to the jurisdiction of the English courts.
